## Let It Go

(Brano scritto da [Kristen Anderson-Lopez](#) e [Robert Lopez](#))

The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation and it looks like I'm the queen  
The wind is howling like this swirling storm inside  
Couldn't keep it in, Heaven knows I tried  
Don't let them in, don't let them see  
Be the good girl you always have to be  
Conceal, don't feel, don't let them know  
Well, now they know

Let it go, let it go  
Can't hold it back any more  
Let it go, let it go  
Turn away and slam the door  
I don't care what they're going to say  
Let the storm rage on  
The cold never bothered me anyway

It's funny how some distance  
Makes everything seem small  
And the fears that once controlled me  
Can't get to me at all  
It's time to see what I can do  
To test the limits and break through  
No right, no wrong, no rules for me  
I'm free

Let it go, let it go  
I am one with the wind and sky  
Let it go, let it go  
You'll never see me cry  
Here I'll stand, and here I'll stay  
Let the storm rage on

My power flurries through the air into the ground  
My soul is spiraling in frozen fractals all around  
And one thought crystallizes like an icy blast  
I'm never going back; the past is in the past

Let it go, let it go  
And I'll rise like the break of dawn  
Let it go, let it go  
That perfect girl is gone  
Here I stand, in the light of day

Let the storm rage on  
The cold never bothered me anyway
